- Sightseeing
- Rail
- Cable
- Streetcar
- TOD

Connecting Talent & Opportunity

RATP Dev is looking for the best and that's you!

With numerous opportunities in both established locations and prospective business, we want to connect with you. Help us manage superior transit systems, increase ridership throughout communities, and create a seamless passenger experience.

Dedicated, creative, and community-oriented – these are just a few of the characteristics we're looking for! RATP Dev offers competitive salaries, 401(k) matching, as well as full health benefits.

Where do you want to go?

Transit is a diverse industry and there are many positions available across the United States, including:

- Bus Operators, Mechanics, Dispatchers
- Supervisors
- Managers in Operations
- Maintenance, Safety & Training
- Directors in Operations
- Maintenance, Safety & Training
- General Managers in Fixed Route and Paratransit Services

Global Company Local Feel

As a global company, RATP Dev transports over 1.5 billion passengers across 14 countries on 4 continents every day.

RATP Dev is a visionary leader in managing and operating Bus, Rail, Streetcar, Light Rail Transit (LRT), Shuttle, and Transit on Demand Services for some of the most diverse communities in North America. What started as a small agency in 1972 now supports over 34 locations and 5,000 employees across the United States...and we're just getting started. RATP Dev brings local communities together and has a direct impact on the daily lives of our passengers. Connections are what keep our wheels turning.

Passion for Talent

Connect your career with our future and let's do something great together.

RATP Dev is passionate about recruiting top-notch talent and developing our leaders from within. From Bus Operators and Mechanics, to General Managers and Executives, RATP Dev strongly believes in employee advancement. RATP Dev's "Grow Our Own" program was established to identify, develop, and retain team members who strive to excel. Through internships while in school, a CO-OP program, training and mentoring programs, as well as advanced leadership training you'll go straight to the top.

If you have a passion for public transit, you've arrived at the right company.
